life smart and secure.

dormakaba

Secure your reputation by locking in satisfied customers.

dormakaba's new LA GARD 700 Series

Security – the ultimate in state-of-the-art electronic safe locks designed to support the ever-changing needs of today's world

Efficiency – lower total cost of ownership, fewer battery changes, ease of use, simplified inventory management

Confidence – from a name you know and trust

User Experience– unified software platform, feature-rich OLED display, simplified user-prompts

Reliability – confirmed by third-party Reliability Test lab; certified by VdS, UL, EN1300, SBSC, CNPP a2p

Excellence – quality commitment backed by 2 year warranty; extended warranty available, world-class support, modern dormakaba design aesthetic

Display– OLED keypad featuring on-screen prompts

Key Features:

- 1.28" Monochrome OLED Display, 128 x 64
- Low-energy Bluetooth key fob for use as second credential and/or Time Delay Override
- Single unified software platform for use on all models for increased usability and updatable firmware
- A range of entry-level to advanced offerings embodying the breadth of capabilities renowned in LA GARD products

LA GARD has been an industry leader in the safe lock sector for nearly half of a century. The LA GARD 700 Series embodies the original tried-and-true features and long legacy of LA GARD high-security function along with advanced technological features.

The LA GARD Basic, ComboGardPro, AuditGard, SmartLinc/II and SmartPoint have been elevated and now embodied in the new LA GARD 700 Series. Featuring a modern interface both in appearance and technology, the 700 Series incorporates the same reliable security features and functions of LA GARD — a legendary and iconic name that you know and trust — now dormakaba LA GARD™.

The 700 Series

Models 701-705

Top-Rated Security Across Industries

The LA GARD 700 Series is ideal for commercial industries (financial, legal, pharmaceutical, retail), vault storage, government (HSL and law enforcement), and residential/personal. With five models to choose from, the series offers a range of features and options to fit almost any safe lock need.
